Dear Sir or Madam,

It is our honor to inform you that in the period between October 2nd and 5th 2022 the 53rd International Gathering of Children of Europe "Joy of Europe" will be held in Belgrade in accordance with current epidemiological measures.

Kindly forward this letter to music or dance ensembles of children aged between 7 and 14 which you find/see as potential representatives of European countries and potential participants at "Joy of Europe", or recommend two or three groups of your choice so that the quality of our selection stays best possible.

Founder and general sponsor of the International Gathering of Children of Europe is the Belgrade City Administration and the executive producer is the Children's Cultural Centre Belgrade. The "Joy of Europe" festival has the EFFE label of quality, granted by the European Commission.

Those with the right to participate in the "Joy of Europe" are art schools, cultural centers, studios, clubs, associations, but above all groups that showed remarkable results at national and international competitions, festivals etc. Groups should be registered and operate in European countries, outside the territory of the Republic of Serbia and they should represent traditional or contemporary culture of the country they are registrated in. The performing group can consist of up to 12 children, between 7 and 14 years of age, and 2 adult companions – group leaders. It is strictly forbidden that the children be older or younger than here declared. Participants can present their work through dance (classical, traditional, jazz and modern dancing...), music (vocal band or choir), or a multimedia performance.

Children are going to be accommodated in families of their peers from Belgrade schools, one child per family, since the essential goal of this event is developing lasting friendships, socialization and getting to know different cultures.
